If there's one thing that defines this apartment, it's its balance. With 94 m² of living space, room is never an issue. Thanks to its southern orientation, the Mediterranean light flows naturally into the home, making the living room the perfect place to unwind after a day in the sun. With two double bedrooms and two full bathrooms, the apartment offers the independence and comfort one seeks when considering a property in Spain.~~Daily life here is simple and pleasant. The apartment is part of a quiet and well-maintained community, where the communal pool is the ideal meeting point for cooling off. Furthermore, the surrounding area, with its wooded areas and nearby parks, provides that welcome feeling of fresh air and clean air.~~Living in Formentera del Segura: The Heart of the Vega Baja~For those unfamiliar with the area, Formentera del Segura is synonymous with quality of life. It's a welcoming and safe town that has maintained its traditional character, yet now boasts a vibrant international community. The pace of life here is relaxed: you can walk to buy bread, enjoy local cuisine on its terraces, or stroll through the nearby playgrounds. The best part is its strategic location: experience the tranquility of the countryside, but in less than 15 minutes you can be on the spectacular white-sand beaches of Guardamar.~~An opportunity ready to be seized.~This property is perfect for those who value accessibility, with excellent transport links and essential services right on the doorstep. For €125,000, you're not just buying a spacious and sunny apartment, but investing in a healthy, comfortable lifestyle surrounded by all the amenities needed to live year-round or enjoy unforgettable getaways.~
