Complete, detailed and up-to-date refurbishment only 2 years ago.
Plumbing and electricity also brand new. This is the first thing you need

to know to understand that we are talking about a property that is delivered updated, furnished and ready to live in, in detail.~~With its 129 m2, do not expect minimum space, on the contrary, the 3 bedrooms are double with fitted wardrobes.~~~The kitchen is independent, very spacious to be used as a dining room even, and with a grateful gallery for storage and washing machine.~~The living room is very spacious, about 30 m2, and has a warm fireplace with cassette.~~~The main bathroom, with a shower tray, is prepared for flat and unobstructed access for people with disabilities.~~And the distribution from the entrance is, to say the least, intelligent and very well proportioned.~~~There are properties for sale in Almoradí, yes, and cheaper than this one, but none with a renovation and updating that equals the delivery of new builds.~~You have all the shops and services you want in the neighbourhood, so you can live without lacking anything. Almoradí is a quiet town, close to the sea and very complete.~~That is what you get when you live here: space, comfort, tranquillity and that touch of modernity and great details that make life much easier.~~You also know that you are less than 20 minutes from Torrevieja and its fantastic beaches.~
