Almoradí is only 15 minutes away from the sandy beach in Guardamar del Segura. This is important for those who want to be close to the sea. On the other hand, if you don't have a family this flat will be too big for you. Very big.~~We are talking about a young property, from 2004, with quality materials, and with 146m2 built (I told you it was big) distributed intelligently as follows:~~~ 3 double bedrooms with fitted wardrobes.~~~~ 2 complete bathrooms (one of them en-suite)~~~~ Large independent kitchen, exterior with utility room for washing machine~~~~ Living room of 30 m2, with terrace~~~~ Semi furnished~~~~ EXTRAS: Parking space and storeroom included in the price~~The area is quiet and residential, next to schools, chemist's, medical centre and all the services you need. Convenience~~If you know Almoradí, you already know that you would be living away from the noise and heaviness of a big city, on the contrary, here there is space to breathe and make a very comfortable family life.~~Although if you need to go to Torrevieja from time to time, you are only 20 minutes away by car. And just 15 minutes from Guardamar.~~The investment of a flat of this size and characteristics for 129.000 euros seems quite intelligent, although that is something that you have to evaluate yourself, what is your objective?~~By visiting this flat, you will possibly understand why this is a wise investment.~
