When Marta and her family moved to Torrevieja, they were looking for more than square meters. They wanted a home to grow in, a place to share long dinners, sunny afternoons on the terrace, and a life close to the sea without giving up peace and quiet. That's how they found this apartment: warm, spacious and well-located, where every room became part of their story.~~Now, with the kids grown and a new stage ahead, Marta is putting this family home on the market. A second-floor apartment with space, light, and a south-facing terrace that invites you to slow down and enjoy.~~This property offers all that and more: generous living space, comfort, and one of the best locations in Torrevieja—close to everything, but tucked away from the noise.~~Here's everything you need to know about the property:~~3 bedrooms~~2 full bathrooms~~Large living-dining room~~Independent and bright kitchen~~Sunny terrace~~South-facing~~450 meters from the main promenade~~Quiet street with little traffic~~What makes this home truly special...~~
