Imagine stepping out of your home knowing that, in just a few minutes, you can be walking along the seafront.~~?? Light, peace, space… and that feeling of having everything close by without feeling like you live in the middle of the hustle and bustle.~~This penthouse in Torrevieja, less than 200 metres from the sea and very close to Playa del Cura, is perfect for those who want to enjoy the Mediterranean without giving up the convenience of having the city right on their doorstep.~~Because here, living close to everything doesn't mean living with noise.~~The property offers approximately 65 m² of well-designed living space, distributed across two bedrooms, a very spacious bathroom, and an open-plan living and dining area with an open kitchen, creating a comfortable, bright, and functional home.~~From the very first moment, it gives you that feeling of a well-maintained, spacious property that is ready to move into.~~But if there is one feature that truly makes the difference, it is the large terrace.~~
